Agenda item 6(c)
Matters relating to the mechanisms under the Kyoto Protocol
Modalities for expediting the continued issuance, transfer and acquisition of joint implementation emission reduction units

Modalities for expediting the continued issuance, transfer and acquisition of joint implementation emission reduction units

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) continued its consideration of modalities for expediting the continued issuance, transfer and acquisition of joint implementation emission reduction units, in accordance with decision 1/CMP.8, paragraph 16.

2. The SBI took note with appreciation of the technical paper prepared by the secretariat concerning the technical implications for the processes and systems under the Kyoto Protocol,[1] arising from the draft modalities for expediting the continued issuance, transfer and acquisition of joint implementation emission reduction units contained in the annex to document FCCC/SBI/2014/L.9.

3. The SBI was unable to conclude discussions, and agreed to continue discussing this matter at SBI 42 (June 2015).
